

January 2019

Dear Friend,

For over 40 years Canyon Optimist Soccer Club (COSC) has provided an affordable soccer program for Caldwell, Vallivue, Nampa and the surrounding Treasure Valley. As 2019 begins and we prepare for the spring season, I am reaching out to you because our community's non-profit soccer program is growing, and we need your help.

**For the third year in a row we've experienced record setting growth. In 2018 1,317 children played soccer through Crossfire (recreational) and Inferno (competitive) teams!** We continue to receive strong community support with over 250 volunteers serving as coaches, referees, board members and more.

Crossfire and Inferno hold an important place in our community-- promoting teamwork, the development of soccer skills, and an opportunity for children to build positive relationships with each other and their coaches. We would like to partner with you in 2019. Your sponsorship will allow us to keep soccer affordable for families in financial need, offer training for our coaches and referees and provide quality equipment for our young players.

Thank you in advance for your support—together we'll continue to build a successful youth soccer program for the western Treasure Valley.

Sincerely,

Sara Bartles
